RE: Mark R. Webb vs. Grant County Clerk Brenda Percy
Grant County Measure 12-72
Grant County Circuit Court Case No. 18CV19251

Dear Mr. Webb and Mr. Yockim:

Mr. Webb has objected to the above Initiative, attached as Ex. 1, begin placed on the ballot. He raises numerous objections arguing it addresses matters outside County concern (ORS 203.035), to violations of "full text" requirement and "single subject" requirements under Art. IV Sec (1) and (2) of the Oregon Constitution which applies to county measures under ORS 250.155 et. Seq.

This Initiative on its face addresses “the...people of ... Grant County to:”

2) Freely manufacture, transfer, sell and buy firearms, firearm accessories and ammunition...” Ex 1, Sec. 2(A.)(2)

State law can preempt county ordinances.

166.170 State preemption. (1) Except as expressly authorized by state statute, the authority to regulate in any matter whatsoever the sale, acquisition, transfer, ownership, possession, storage, transportation or use of firearms or any element relating to firearms and components thereof, including ammunition, is vested solely in the Legislative Assembly.

(2) Except as expressly authorized by state statute, no county..... may enact civil or criminal ordinances, including but not limited to..... to regulate, restrict or prohibit the sale, acquisition, transfer, ownership, possession, storage, transportation or use of firearms or any element relating to firearms and components thereof, including ammunition. Ordinances that are contrary to this subsection are void. [1995 s.s. c.1 §1]

This Initiative is not vague. The plain reading of measure 12-72 violates this statute and by definition enters into an area that by law is not of county concern.

Further it contains provisions that are not legislative in nature and; therefore, not proper for an initiative by definition. For example Sec. (2)(E) of Ex 1, is administrative in nature; Sec. (2)(E) also violates numerous constitutional provisions and awards powers to the Office of Sheriff that are not authorized by statutes that define that Office.

Because I find this does not meet the first level of statutory review, I have not addressed in detail the “full text” requirements, but would find it violates those requirements as well.

Out of respect for the county clerk, I recognize her careful approach. She consulted with county counsel and explained her reasoning in detail. She acknowledges that she had to make several assumptions to find any interpretation of this Initiative that would address lawful matters. (See paragraphs 5.,6., and particularly 7. of her declaration of May 31, 2018).

This is not instance of statutory ordinance interpretation where a law exists. In that instance it is a tenant of interpretation to give meaning to law, that you ‘assume’ those passing the law intended it to fit within the existing laws that are superior to it. (e.g. Constitutional). Even in that situation, the actual words and language of the writing are given the most weight.

In this instance we are at the stage where voters are making a choice. They have a right to have a reasonable opportunity to understand what they are voting on and what its legal effect will be. I submit no reasonable voter could read this initiative and understand that:

_ Verified Correct Copy of Original 6/29/2018._

- 1) It only affects the ability of the county court to pass laws in this area.
- 2) It can only address the county's ability to regulate the possession of loaded firearms within the county. ORS 166.173. – and only to the extent it complies with that statute. That appears to be the remaining area left to county action – and only outside incorporated towns within the county.

Ironically, if the purpose of the Initiative is to restrict county government, ORS 166.170 already does that. However, the voter reading this Initiative most likely would believe it would enable Grant county residents to interpret laws, establish new duties for the Sheriff including constitutional interpretation of state and federal laws, control county budgets where gun use is involved, including the county jail and etc. None of which is accurate.

A voter deserves a reasonable opportunity to understand what they are voting on and its legal effect. This Initiative fails in that it attempts to address matters that are outside those of "county concern," – in other words, that which a county can legally address by ordinance.

I direct county counsel to submit the proper orders/judgment denying placing the Initiative on the ballot.

Sincerely,

GRANT COUNTY CIRCUIT COURT

Grant County State of Oregon
Second Amendment Preservation Ordinance

Section 1. TITLE

THE PEOPLE OF GRANT COUNTY DO ORDAIN that the following ordinance shall be known and may be cited as the **Second Amendment Preservation Ordinance**.

Section 2. AUTHORIZATION

A. The Second Amendment Preservation Ordinance preserves the right of the People of, on and in Grant County to:

- 1) Keep and bear arms as originally understood; in self-defense and preservation, and in defense of one's community and country.
- 2) Freely manufacture, transfer, sell and buy firearms, firearm accessories and ammunition, which are designed primarily for the same purposes.

B. These rights are retained by the People and protected by the Constitution of these United States, and the Constitution of the State of Oregon as follows:

- 1) Whereas the Second Amendment to the Constitution of the United States of America states: "A well-regulated Militia being necessary to the security of a free State, the right of the People to keep and bear Arms, shall not be infringed."
- 2) Whereas The Ninth Amendment to the Constitution of the United States of America states: "The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people," - protects ancillary rights that are closely related to the right to keep and bear arms protected by the Second Amendment; including the right to manufacture, transfer, buy and sell firearms, firearm accessories and ammunition. Hereinafter these shall be referred to as "ancillary firearm rights".
- 3) Whereas the Tenth Amendment to the Constitution of the United States of America states: "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."
- 4) Whereas Article 1, section 27 of the Constitution of the State of Oregon states: "The people shall have the right to bear arms for the defense of themselves, and the State, but the Military shall be kept in strict subordination to the civil power."
- 5) Whereas Article 1, section 33 of the Constitution of the State of Oregon states: "This enumeration of rights and privileges shall not be construed to impair or deny others retained by the people." This section protects ancillary firearms rights that are closely related to the right to keep and bear arms protected by Article 1, section 27 of the Constitution of the State of Oregon.

C. Therefore, any regulation of the right to keep and bear arms or ancillary firearms rights that violate the Second, Ninth, or Tenth Amendments to the Constitution of the United States of America, or Article 1, sections 27 and 33 of the Constitution of the State of Oregon, as articulated herein, shall be regarded by the People on and in Grant County as unconstitutional; a transgression of the Supreme Law of the Land and its spirit of Liberty, and therefore by necessity *void ab initio*.

FOR THE COUNTY OF HARNEY

HARNEY COUNTY, HARNEY)

_____)	

THIS MATTER came before the Court upon a Petitioner for review by Petitioner pursuant to ORS 250.168(4) challenging a determination by the Harney County Clerk that an initiative petition for a County ordinance called the Second Amendment Sanctuary Ordinance, hereinafter referred to as the Proposed Ordinance, filed by Petitioner did not meet the legal requirements to be placed on the ballot in the next election. Petitioner has filed a Petition challenging the clerk’s decision and requested expedited judicial review.

The Court has reviewed the Proposed Ordinance, the Petition, and the materials submitted to Petitioner by the Harney County Clerk and Harney County Counsel. The Court has also reviewed the order and opinion letter by Judge William Cramer referenced in the Petitioner pertaining to a similar petition in Grant County.

Findings of Fact and Conclusions:

1. The Petition for review was timely filed.

2. Both parties agree on the legal standard to be applied by the Court for review for compliance with the Oregon Constitution Art IV Sec.2(d) and Art. VI, Sec.10.
3. The Proposed Ordinance does not include the full text as required as the various state and federal laws that would not be enforced under the ordinance are not included or specified. The Proposed Ordinance lists a series of “Extraterritorial Acts” but does not identify special state or federal statutes that would be subject to the ordinance. The Extraterritorial Acts is incomplete, without the context of existing statutory laws impacted by the Ordinance.
4. The Proposed Ordinance contains more than one subject, specifically, a prohibition against enforcement of both federal and state statutes and combines a laundry list of items in the “Extraterritorial Acts” section, some of which have little to do with the other.
5. The Proposed ordinance includes matters of administrative concern. The proposed ordinance is in conflict with ORS 260.010 et. seq. which requires the sheriff to enforce the laws of the State, and would violate the requirements of DPSST certification.
6. The Proposed Ordinance does not involve matters of exclusive concern to the County. For example, it allows the voters of Curry County, Oregon to decide what firearms restrictions are allowed in Harney County. Section 4 (g).
7. The Proposed Ordinance, or at least major portions of it, is preempted by State and Federal Law. ORS 166.170 set forth the legislative intent, making it clear the Oregon State Legislature considered these matters a state concern, not exclusive to the individual counties. The Proposed Ordinance seeks to pre-empt the preemption in

ORS 166.170. If Petitioner does not like ORS 166.170 or any of the other State and Federal laws he seeks to avoid, means exist to change those laws. This method is not one of them.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the Proposed Initiative in is not a proper matter for County Initiative and the County Clerk is directed not to place it on the ballot.

Signed: 9/2/2020 04:45 PM
